"The care of human life and happiness, and not their destruction, is the first and only object of good government."

"We must not let our rulers lead us with perpetual debt."

"A little rebellion now and then is a good thing."

"The tree of Liberty must be refreshed from time to time with the blood of patriots and tyrants."
Thomas Jefferson.

"If you want to find the secrets of the Universe, think in terms of energy, frequency, and vibration."

"Science is but a perversion of itself unless it has as its ultimate goal the betterment of humanity."

"I could only achieve success in my life through self-discipline, and I applied it until my wish and will became one."
Nikola Tesla.

SYNCHRONICITY and ELECTRIC UNIVERSE.

"The secret of change is to focus all your energy, not on fighting the old, but on building the new."

SOCRATES

You never change things by fighting the existing reality. To change something, build a new model that makes the existing model obsolete.
