In the New Model, all good people in the arena enjoy resuming the restoration of the Constitutional republic FROM JFK's point of interruption, can see for miles and miles, and enjoy Liberty in building out properties and the local means of production, with the capability to sow, nurture, grow, harvest, store, cook, engineer, design, program, automate, construct, process, raise, teach, counsel, hunt, defend, provide, debate, organize, compose, perform, worship, dance, laugh, love, celebrate, and sustain. Members enjoy a career in methods of spontaneous cooperation in the discovery and development of regenerative processes that achieve a well-defined whole.

ALL is not lost!

"There is one revolution tolerable to all men, all societies, all political systems:
Revolution by design and invention."
-R. Buckminster "Bucky" Fuller, 1968.

The TRUE measure of greatness of the individual, organization, society, and world IS NOT a focus on elevating war sales and margin, but rather a focus on elevating the marginalized into a world that works for all of creation!

A core belief of transcendentalism is in the inherent goodness of people and nature. Adherents believe that society and its institutions have corrupted the purity of the individual, and they have faith that people are at their best when truly "self-reliant" and independent.

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

"One person can make a difference, and everyone should try."

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.

I think it's time to get ready!
