

"Reducing then maintaining [human population on earth at 500 million](#) is OUR solemn obligation, in order to preserve the ecology of the planet. When you think about it, 500 million humans equates to the number of workers and managers required to sustain and grow our owned and operated companies and [NGO's](#). In addition, 500 million humans provide for the majority of consumer spending. As Artificial Intelligence is further integrated with [bio-animatronics](#), this human figure MAY be adjusted accordingly."
