

He who binds himself to a joy,
Does the winged life destroy;
But he who kisses the joy as it flies,
Lives in eternity's sunrise!

Lovely days don't come to you. You should walk to them!

A core belief of transcendentalism is in the inherent goodness of people and nature. Adherents believe that society and its institutions have corrupted the purity of the individual, and they have faith that people are at their best when truly "self-reliant" and independent.

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

One person can make a difference, and everyone should try."

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.

The globalist-operated Deep State will stop at NOTHING to preserve their power. They KILLED JFK, MLK, RFK, and since the Chinese virus has failed to kill Trump, they will find other means to achieve their objective. The objective all along, since the formation of the private Federal Reserve bank, is the enslavement of humanity to central world government and banking. Our Founders knew this would occur. That's why many of us are willing to suffer, fight, and die for the preservation of individual rights under the Constitution!

SYNCHRONICITY and ELECTRIC UNIVERSE.

- Congressman Larry P. McDonald, 1976, killed in the Korean Airlines 747 that was shot down by the Soviets

Behind the ostensible government sits enthroned an invisible government owing no allegiance and acknowledging no responsibility to the people. To destroy this invisible government, to befool the unholy alliance between corrupt business and corrupt politics is the first task of the statesmanship of today.
