

"[The Selfish Ledger](#) positions Google as the solver of the world's most intractable problems, fueled by a distressingly intimate degree of personal information from every user and an ease with guiding the behavior of entire populations."

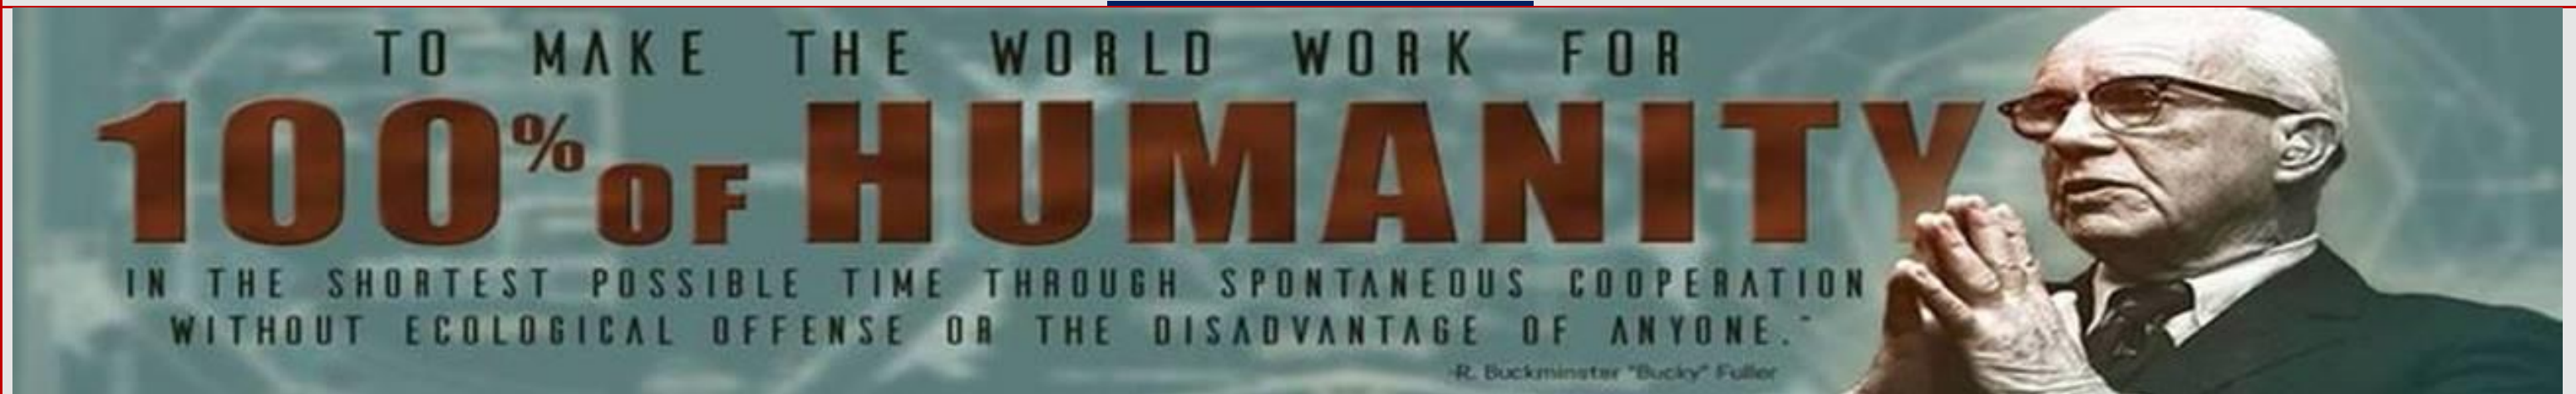

-[Nick Foster, Head of Google X](#)

"In general, we collect data on people who are not signed up for Facebook for security purposes."

-[Mark Zuckerberg](#)

"The care of human life and happiness, and not their destruction, is the first and only object of good government."

- [Thomas Jefferson](#)

.....starts with one person, one relationship, one family, one neighbor, one neighborhood, one village, one city, one state, one nation, at a time.....simultaneously.
