

It is better to die living in service to the TRUTH, enlightenment, and protection of humanity, one's immediate loved ones and locality, than to live kneeling AND dying in servitude to the Globalist-Oligarch-Eugenicists (GOE) and their DECEPTIVE fascist purchased sycophants.

These are the U.S. "percolating variables" AT or EXCEEDED critical point, under the law of self-organized criticality:

Borders - Unsecured
Civil Unrest
Consumer - Credit
Crime - Urban
Earthquakes
Education
Electric Grid-Eastern
Electric Grid-Texas
Electric Grid-Western
Floods
Food Availability
Healthcare System
Homelessness
Hurricanes
Hydrocarbon Transports
Hydrocarbons - Production
Inflation
Interstate Highway System - Urban Centers
Market - Debt
Market - Housing
Market- Credit
Market- Equity
Military Rank and File Defection
Pandemic
Political Gridlock
Potable Water - Urban
Poverty
Public - Debt
Public - Emergency Services
Qualified Labor - Professional Services
Qualified Labor - Trade
Student Load - Debt
Supply Chain - Critical Infrastructure Material
Supply Chain - Non-Critical Infrastructure Material
Telecommunications
Terrorism
Unvetted Immigration
War-Civil
War-Worldwide
Wastewater Treatment - Urban
Western Drought
Western Food Production
Western Shipping Container Cargo Ports
Western Water Reservoirs/Reserves
Western Wildfires

We remain at DEFCON-1, as when variables exceed critical point, collapse is the result, within that realm.

The rolling waves of collapse are underway, across multiple realms, and not being disclosed by those employed in the service of public health and safety.

Here is an effective introduction to the law of self-organized criticality, as it pertains to California wildfires:

https://www.youtube.com/watch?v=S83u_y3ZRYg&t=0s

The recent cataclysmic destruction produced by the December 11, 2021 multi-state tornado outbreak, is an example of self-organized criticality, in the natural.

The recent failure of multiple nodes across the Amazon Web Services network is another example of self-organized criticality, and the resultant collapse when critical point is exceeded.

In the civil-social realm, the GOE's purchased sycophants, rather than setting public-private policy to reduce the percolation of variables and lower the risk to humanity, have intentionally enacted public-private policies to exacerbate the percolation, with the goal of exceeding critical point, and inducing waves of collapse.

This allows the GOE's to "rush in" as saviors of the balance of humanity, with their intended fascist-totalitarian state.

The MANY are being deceived; the FEW are standing for TRUTH and taking action to protect loved ones from disaster.

This is what noble MEN and WOMEN do.

This is what the GOE's do, through their purchased sycophants:

"The hope of a secure and livable world lies with disciplined nonconformists who are dedicated to justice, peace, and brotherhood."
-Martin Luther King Jr., 1968.

"I must study politics and war that my sons may have liberty to study mathematics and philosophy. My sons ought to study mathematics and philosophy, geography, natural history, naval architecture, navigation, commerce, and agriculture, in order to give their children the right to study painting, poetry, music, architecture, statuary, tapestry, and porcelain."
-John Adams, 1782.

"There are only two lasting bequests we can hope to give our children. One of these is roots, the other, wings."
-Johann Wolfgang Von Goethe, 1782.

"Knowledge makes a man unfit to be a slave."
-Frederick Douglass, 1861.

In the New Republic, Polymaths enjoy creating the acts of construction and production, for the benefit of humanity AND ecology, NOT their destruction.

We do not remember days, we remember moments.
-Cesare Pavese.

I have found that if you love life, life will love you back.
-Arthur Rubenstein.

Where LIBERTY (for ALL CITIZENS) dwells, there is MY COUNTRY.
Well DONE is better than well said.
-Ben Franklin.

Youth is happy because it has the capacity to see beauty (and truth). Anyone who keeps the ability to see beauty never grows old.
-Franz Kafka

In the New Republic, Independent Enlightened Commoners enjoy CHOOSING to build out DOMESTIC off-grid residential and commercial infrastructure, local regenerative, sustainable, renewable supply chains AND communities, in locales where the population of butterflies, hummingbirds, bluebirds, and deer represent the majority of biological life.
...with an agenda of an egalitarian, diverse community and civilization of happy, peaceful, productive, unified self-reliant RESILIENT individuals, living in peaceful communities, in prosperity and unity with illimitable-spirit and nature, with all safe and sound.

"INDEPENDENCE DAY: Freedom has its life in the hearts, the actions, the spirit of men and women, and so it must be DAILY earned and refreshed - else like a flower cut from its life-giving roots, it will wither and die."

In the New Republic, members hold loyalty to their trades, professions, communities, TRUTH, AND Code of Ethics above loyalty to greed and power.

An ounce of prevention is worth a pound of cure, and it starts with secure and resilient individuals, dwellings, neighborhoods, communities, villages, cities, states, nations, planets, universe, and cosmos.

Money is good. Money plus ingenuity allows for favorable quantum outcomes, independent of the limitations imposed by binary thought.

The Emerson-Thoreau-Fuller school of thought transcends the macro failings of civilizations, and maneuvers ahead of collapse, for the benefit of the many, NOT for their destruction.

It is a daily metamorphosis.

At first flash of Eden...we race down to the sea, and enjoy and share our constructed, productive gardens, orchards, and vineyards, sustain optimal physical, emotional, spiritual, and financial health, enjoy the beach shack, and surround with resiliency, adaptability, love, joy, gratitude, and peace!

The secret of change is to focus ALL your energy, NOT on fighting the old, but on building the NEW!

Rugged individualism, team commitment, local domestic supply chains, resilience, self-reliance, abundance, regeneration, self-defense, disaster prevention and mitigation, and expanding prosperous middle class = = New Republic 2.0.

In the NEW REPUBLIC 2.0, imperfect people form a more perfect union, with Providence. Core principles of community-based prosperity, LOCAL commerce, supply, brotherhood, diversity, inclusion, philanthropy, defense, disaster-prevention, distributed power, MEANS OF CONSTRUCTION, the Bill of Individual Rights, sustainability and resiliency, all calibrated to LOVE, JOY, GRATITUDE, AND PEACE!

Within You...The Garden of Eden...Without You...Easter Island.

The purpose of discipline is to live life more FULLER, not less!

In the New Model, sustaining synchronicity and self-actualization...for ALL of earth's sentient life and ecological balance...IS the policy, with sovereign Constitutional egalitarianism.

The FUTURE...reimagined by the sparkling rivers, lakes, and oceans!

In the New Model, all good people in the arena enjoy resuming the restoration of the Constitutional republic FROM JFK's point of interruption, can see for miles and miles, and enjoy Liberty in building out properties and the local means of production, with the capability to sow, nurture, grow, harvest, store, cook, engineer, design, program, automate, construct, process, raise, teach, counsel, hunt, defend, provide, debate, organize, compose, perform, worship, dance, laugh, love, celebrate, and sustain. Members enjoy a career in methods of spontaneous cooperation in the discovery and development of regenerative processes that achieve a well-defined whole!

ALL is not lost!

"There is one revolution tolerable to all men, all societies, all political systems:
Revolution by design and invention."
-R. Buckminster "Bucky" Fuller, 1968.

The TRUE measure of greatness of the individual, organization, society, and world IS NOT a focus on elevating war sales and margin, but rather a focus on elevating the marginalized into a world that works for all of CREATION!

A core belief of transcendentalism is in the inherent goodness of people and nature. Adherents believe that society and its institutions have corrupted the purity of the individual and nature, and they have faith that people are at their best when truly "self-reliant" and independent.

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

"One person can make a difference, and everyone should try."

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.

I think it's time to get ready!

Polymaths DO!!

December 14, 2021.

.....starts with one person, one relationship, one family, one neighbor, one neighborhood, one village, one community, one city, one state, one nation, at a time...simultaneously.

To attain and sustain love, joy, gratitude, peace, and synchronicity for all sentient life and ecological balance for earth requires GRIT, not greed, where GRIT = perseverance x passion. Polymaths do not follow or lead the herd; they lead AND LIVE BY the vision.

SYNCHRONICITY and ELECTRIC UNIVERSE.
