

In the vast continuum of Assholery, the Champions SHALL be served their proper rewards!

Back to the Garden!

Lovely days don't come to you. You should walk to them!

A core belief of transcendentalism is in the inherent goodness of people and nature. Adherents believe that society and its institutions have corrupted the purity of the individual, and they have faith that people are at their best when truly "self-reliant" and independent.

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

One person can make a difference, and everyone should try."

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.

In the New Republic, all good people in the arena enjoy resuming the restoration of the Constitutional republic FROM JFK's point of interruption, can see for miles and miles, and enjoy Liberty in building out properties and the local means of production, with the capability to sow, nurture, grow, harvest, store, cook, engineer, design, program, automate, construct, process, raise, teach, counsel, hunt, defend, provide, debate, organize, compose, perform, worship, dance, laugh, love, celebrate, and sustain. Members enjoy a career in methods of spontaneous cooperation in the discovery and development of processes that achieve a well-defined whole!!

CONSTITUTIONALISM.....is the new counterculture!
