

Institutional investors have shrugged off concerns...regarding reduction in consumer spending due to the inconvenience of coronavirus, wildfires, earthquakes, floods, wars, famines, and revolutions. Rather, investment in biotech, pharma, fire protection, early detection seismography, locks and dams, defense contractors, food companies, crematoriums, surveillance, and guillotine manufacturers appear quite attractive.

"Humans are in the final examination as to whether they will continue to exist in the Universe."

"There is only one revolution tolerable to all societies and political systems: revolution by design and invention."

"Strive not to become a man of success, but rather become a man of value."

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."
