

It's the will of the People...NOT the will of the Party.
It's about the reversion of the improper conversion of the representative class into the ruling class.
Constitutionalists don't require a Party...the Constitution IS the platform.

There may be a price to pay.

NO ARMY can stop an idea whose time has come.

A core belief of transcendentalism is in the inherent goodness of people and nature. Adherents believe that society and its institutions have corrupted the purity of the individual, and they have faith that people are at their best when truly "self-reliant" and independent.

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

"One person can make a difference, and everyone should try."

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.

I think it's time to get ready.

February 20, 2020.

.....starts with one person, one relationship, one family, one neighbor, one neighborhood, one village, one community, one city, one state, one nation, at a time...simultaneously.

"Bones, why couldn't humans make earth work for 100% of Humanity?"

"Damn it Jim, I'm a doctor, NOT a forensic anthropologist!!"

To befoul the unholy alliance AMONG Communists,

CORRUPTED capitalists, and CORRUPT politicians, is the first and only object of Constitutionalists.
