

<i>Classic Liberalism.</i>	<i>Fascist Liberalism.</i>
I pledge allegiance to the flag of the United States of America.	I pledge allegiance to the flag of the United Nations of Earth.
The <u>founding fathers of the Constitution</u> made great sacrifices during the birth of the Nation.	The founding fathers were racist, misogynist, slave holding, old white men who simply lusted after the power held by King George III.
Life, liberty, and the pursuit of happiness and <u>protection of individual rights</u> is the central theme of the <u>Constitutional Republic.</u>	My group has been victimized and/or perpetuated years of deliberate discrimination and this continues to exclude me from life, liberty, and the pursuit of happiness.
<u>It is error alone which requires the support of government. Truth can stand on its own. And when errors are discovered, the Constitution is properly amended for correction.</u>	Yes! And we will remain in a state of outrage until proper mandates are issued and enforced by those we appoint.
Proper pursuit and offering of due process under the <u>Constitution</u> is served to those that have violated it.	Proper pursuit and offering of vigilante justice to those who fail to agree with our assessment of our victimization.
Oh boy! <u>Love, gratitude,</u> and <u>joy</u> does the winged life deploy!	Live in a state of outrage and anger at the offenses committed against me and my group. WE cannot possibly live in a state of love, gratitude, and joy until the offenses are remediated to our satisfaction.
The willingness to suffer, fight, and die for the preservation of individual rights , starting with the <u>First Amendment Right to Freedom of Speech, Freedom of Religion, and Freedom of the Press.</u>	<u>Our right to not take offense is more important than your right to free speech.</u> Therefore, we will resort to all necessary methods to quash it.
<u>For the taking of offense rests in the bosom of the stupid ones.</u>	What?
<u>There is no energy, food, or environmental crisis. Only a crisis of ignorance.</u>	What?
<u>Know thy Bill of Rights.</u>	What?
The government derives its just powers from the consent of the governed.	What?
 <p>The first consideration in immigration is the welfare of the receiving nation</p> <p>In a new government based on principles unfamiliar to the rest of the world and resting on the sentiments of the people themselves, the influx of a large number of new immigrants unaccustomed to the government of a free society could be detrimental to that society.</p> <p>Immigration, therefore, must be approached carefully and cautiously</p> <p><i>Thomas Jefferson</i></p>	Thomas Jefferson was a racist, misogynist, slave holding, old white man who simply lusted after the power held by King George III. And ANYONE who quotes him, by definition, MUST BE THE SAME.
