<p><i>Classic Liberalism.</i></p>	<p><i>Fascist Liberalism.</i></p>
<p>I pledge allegiance to the flag of the United States of America.</p>	<p>I pledge allegiance to the flag of the United Nations.</p>
<p>The <u>founding fathers of the Constitution</u> made great sacrifices during the birth of the Nation.</p>	<p>The founding fathers were racist, misogynist, slave holding, old white men who simply lusted after the power held by King George III.</p>
<p>Life, liberty, and the pursuit of happiness and <u>protection of individual rights</u> is the central theme of the <u>Constitutional Republic</u>.</p>	<p>My group has been victimized and/or perpetuated years of deliberate discrimination and this continues to exclude me from life, liberty, and the pursuit of happiness.</p>
<p><u>It is error alone which requires the support of government. Truth can stand on its own. And when errors are discovered, the Constitution is properly amended for correction.</u></p>	<p>Yes! And we will remain in a state of outrage until proper mandates are issued and enforced by those we appoint.</p>
<p>Proper pursuit and offering of due process under the <u>Constitution</u> is served to those that have violated it.</p>	<p>Proper pursuit and offering of vigilante justice to those who fail to agree with our assessment of our victimization.</p>
<p>Oh boy! <u>Love, gratitude</u>, and <u>joy</u> does the winged life deploy!</p>	<p>Live in a state of outrage and anger at the offenses committed against me and my group. WE cannot possibly live in a state of love, gratitude, and joy until the offenses are remediated to our satisfaction.</p>
<p>The willingness to suffer, fight, and die for the preservation of individual rights, starting with the <u>First Amendment Right to Freedom of Speech, Freedom of Religion, and Freedom of the Press</u>.</p>	<p><u>Our right to not take offense is more important than your right to free speech.</u> Therefore, we will resort to all necessary methods to quash it.</p>
<p><u>For the taking of offense rests in the bosom of the stupid ones.</u></p>	<p>What?</p>
<p><u>There is no energy, food, or environmental crisis. Only a crisis of ignorance.</u></p>	<p>What?</p>
<p><u>Know thy Bill of Rights.</u></p>	<p>What?</p>
<p>The government derives its just powers from the consent of the governed.</p>	<p>What?</p>
	<p>Thomas Jefferson was a racist, misogynist, slave holding, old white man who simply lusted after the power held by King George III. And ANYONE who quotes him, by definition, MUST BE THE SAME.</p> <p>Saul Alinsky's Rules for Radicals</p> <p>RULE 1: Power is not only what you have, but what the enemy thinks you have.</p> <p>RULE 2: Never go outside the expertise of your people.</p> <p>RULE 3: Whenever possible, go outside the expertise of the enemy.</p> <p>RULE 4: Make the enemy live up to its own book of rules.</p> <p>RULE 5: Ridicule is man's most potent weapon.</p> <p>RULE 6: A good tactic is one your people enjoy.</p> <p>RULE 7: A tactic that drags on too long becomes a drag.</p> <p>RULE 8: Keep the pressure on. Never let up.</p> <p>RULE 9: The threat is usually more terrifying than the thing itself.</p> <p>RULE 10: If you push a negative hard enough, it will push through and become a positive.</p> <p>RULE 11: The price of a successful attack is a constructive alternative.</p> <p>RULE 12: Pick the target, freeze it, personalize it, and polarize it.</p> <p>Born in Chicago in 1909, Saul Alinsky was a Communist/Marxist who helped establish the tactics of infiltration that have been implemented in the U.S. government, media, and Hollywood of today.</p>
