

Meet the new wisdom...same as the old wisdom.

NO ARMY can stop an idea whose time has come.

A core belief of transcendentalism is in the inherent goodness of people and nature. Adherents believe that society and its institutions have corrupted the purity of the individual, and they have faith that people are at their best when truly "self-reliant" and independent.

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.

.....starts with one person, one relationship, one family, one neighbor, one neighborhood, one village, one community, one city, one state, one nation, at a time...simultaneously.

When you arise in the morning, think of what a precious privilege it is to be alive - to breathe, to think, to enjoy, to love.

"Let no one when young delay to study philosophy, nor when he is old, grow weary of his study. For no one can come too early or too late to secure the health of his soul."

EPICURUS

In the New Republic, all good people in the arena enjoy resuming the restoration of the Constitutional republic FROM JFK's point of interruption, can see for miles and miles, and enjoy Liberty in building out properties and the local means of production, with the capability to sow, nurture, grow, harvest, store, cook, engineer, design, program, automate, construct, process, raise, teach, counsel, hunt, defend, provide, debate, organize, compose, perform, worship, dance, laugh, love, celebrate, and sustain. Members enjoy a career in methods of spontaneous cooperation in the discovery and development of processes that achieve a well-defined whole.
