"As representatives of the nation's Frontline immigration officers and agents responsible for enforcing our laws and protecting our borders, we fully support and appreciate President Trump's swift and decisive action to keep the American people safe and allow law enforcement to do its job. **We applaud** the three executive orders he has issued to date, and are confident they will make America safer and more prosperous. Morale amongst our agents and officers has increased exponentially since the signing of the orders. In 1998, Jackson introduced Trump ahead of his speech at the conference.

"We need your building skills, your gusto," Jackson told the real estate mogul before stating Trump is a model for "people on Wall Street to represent diversity."

The video ad centers on Clinton's use of the term "super-predators" in 1993, the first year she served as first lady. She used the term to describe young black men and she said they had to be "brought to heel."

When fear becomes collective, when anger becomes collective, it's extremely dangerous. It is overwhelming... The **mass media** and the **military-industrial complex** create a prison for us, so we continue to think, see, and act in the same way... We need the **courage** to express ourselves even when the majority is going in the opposite direction... because a change of direction can happen only when there is a collective awakening... Therefore, it is very important to say, 'I am here!' to those who share the same kind of insight.

The LORD is my shepherd;
I shall not want.
He makes me to lie down in green pastures;
He leads me beside the still waters.
He restores my soul;
He leads me in the paths of righteousness
For His name's sake.
Yea, though I walk through the valley of the shadow of death,
I will fear no evil;
For You are with me;
Your rod and Your staff, they comfort me.
You prepare a table before me in the presence of my enemies;
You anoint my head with oil;
My cup runs over.
Surely goodness and mercy shall follow me
All the days of my life;
And I will dwell in the house of the LORD forever. David, Psalm 23, 875 B.C.

Global elite collectivists at the top of the COLLECTIVIST NETWORK, are expressing dissatisfaction at the disruption of their NWO project by the troublesome nationalism expressed by Constitutionalists. Therefore, the replacement of the troublesome element with ambidextrous sentient artificial intelligence, monitoring and directing of the human thought genome through integrated global internet social COLLECTIVIST NETWORKs, and enforcement by AI connected drones is the only logical solution, in the old republic. And the accelerated destruction of humanity through the use of patsy snipers, induced climate events, induced wildfires, induced contagion, destruction of the family unit and patriotism, and pharmacological mind control is part of the program, until the remainder of humanity submits to the project.

In the New Republic, all good people in the arena enjoy resuming the restoration of the **Constitutional republic** from **JFK's point of interruption, can see for miles and miles,** and enjoy **Liberty** in building out properties and the local **means of production,** with the capability to **sow, nurture, grow, harvest, store, cook, engineer, design, program, automate, construct, process, raise, teach, counsel, hunt, defend, provide, debate, organize, compose, perform, worship, dance, laugh, love, celebrate,** and **sustain.** Members enjoy a career in methods of **spontaneous cooperation** in the discovery and **development of processes** that achieve a **well-defined whole.**

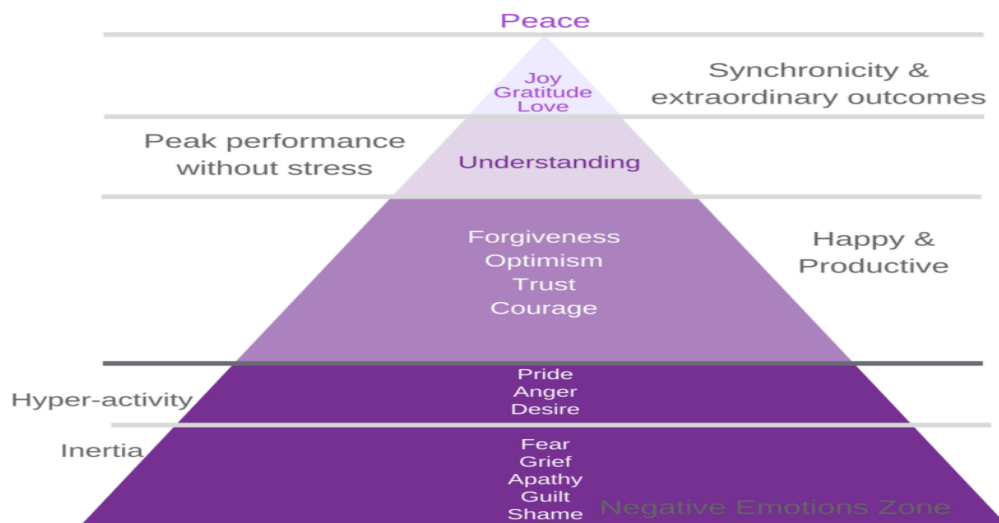

“In a time of universal deceit, telling the truth is a revolutionary act.”

In the **old republic**, members are **indoctrinated** to living in **negative fear**, with scarcity and survival of the fittest as the theme, and enjoy choosing destructive competition in the pursuit of personal advancement, at the expense of humanity, and justify the behavior as required to earn a living on **Earth**.

In the **New Republic**, members are **experienced** in living in **positive charge**, with abundance and survival of humanity as the theme, and enjoy choosing constructive competition in the pursuit of the advancement of humanity, and the behavior is a natural part of living in **Universe**.

Kevin Ives and **Don Henry**, both 17, crushed by a train, **August 23, 1987**. Their deaths were ruled accidental, with the medical examiner saying they had fallen asleep on a railroad line after smoking marijuana, but a grand jury found they had been murdered before being placed on the tracks. They had stumbled on a plot to smuggle drugs and guns from an airport in Mena, Arkansas that Bill Clinton was said to be involved in as state governor.

	<p>Seth Rich, 27, an analyst with the DNC, was shot in the back in Washington, D.C. on July 10, 2016. Seth is linked to the 20,000 leaked emails that brought down close Hillary ally Debbie Wasserman-Schultz - forced out as DNC chairman. Police suspected a robbery, but he had his wallet, phone and watch. Wikileaks is offering a \$20,000 reward for information leading to a conviction in the murder.</p>
	<p>Shawn Lucas, 38, a lawyer who supported Bernie Sanders, was found dead on August 2, 2016 on the bathroom floor of his Washington DC apartment. Just a month earlier he had attempted to serve papers on Wasserman-Schultz in a fraud case that alleges the party had unfairly favored Hillary Clinton in the primaries over Sanders. A video of Lucas taking the papers to the DNC's Washington headquarters has been viewed almost 400,000 times as of Wednesday morning on YouTube. In it, Lucas, who was said to have been a Sanders supporter and worked for a company called One Source Process, calls serving the papers 'the most gratifying thing I have ever done.'</p>
	<p>Ron Brown, 54, plane crash, April 3, 1996. Brown was chair of the Democratic National Committee during Bill Clinton's rise to the presidential nomination and was rewarded with the cabinet position. He was under a corruption investigation when his plane slammed into a mountainside in Croatia. Doctors who examined his body found a circular wound on the top of his head which led to suspicions that he had died before the plane crashed, but that theory was later discounted. The crash was attributed to pilot error.</p>
	<p>John Ashe, 61, a politician and former president of the United Nations General Assembly, was pumping iron at his home in Dobbs Ferry, New York on June 22, 2016 when he dropped the weight. He died from 'traumatic asphyxiation'. Ashe was about to stand trial in a corruption case for allegedly receiving \$500,000 from billionaire real estate developer Ng Lap Seng. Ng was involved in a fundraising scandal and named in a 1998 Senate report for illegally funneling hundreds of thousands of dollars to the DNC during Bill Clinton's presidency. 'During the trial, the prosecutors would have linked Ashe to the Clinton bagman Ng. It would have been very embarrassing. His death was conveniently timed,' The New York Post reported.</p>
	<p>Mary Mahoney was just 25 when she was gunned down along with two assistants at the Washington D.C. Starbucks in 1997 where she was night manager. Mahoney, a lesbian, was also a White House intern and gay rights activist who reportedly acted as a 'mother-figure' to various women who had allegedly been sexually harassed by Bill Clinton.</p>
	<p>Jerry Parks, 47, shot to death, September 23, 1993. Parks was head of security for Bill Clinton's headquarters in Arkansas. As he drove home in West Little Rock, two men in a white Chevrolet pulled alongside his car and sprayed it with semi-automatic gunfire. As Parks's car stopped a man stepped out of the Chevy and shot him twice with a 9mm pistol and sped off. Despite there being several witnesses, no-one was ever arrested. The killing came two months after Parks had watched news of Vince Foster's death and allegedly told his son Gary 'I'm a dead man.' His wife Lois remarried and her second husband, Dr. David Millstein was stabbed to death in 2006.</p>

Honorable Mentions:

<p>Vince Foster, 48, committed "suicide" on July 20, 1993. He was an Arkansas lawyer who Bill appointed as deputy White House counsel when he became president in 1993. It didn't take long for Foster, 48, to realize he had made a terrible mistake by accepting the post. He hated the work and fell into a deep depression. Just six months into the job, his body was found in his car in Fort Marcy Park, Virginia, a gun in his hand and a suicide note torn into 27 pieces in the trunk.</p>
<p>Victor Raiser, 53, small plane crash, July 30, 1992. The second finance co-chair of Bill Clinton's presidential campaign was killed along with his son during a fishing vacation in Alaska. Campaign press secretary Dee Dee Myers called Raiser a major player in the organization.</p>
<p>Stanley Heard, 47, small plane crash, September 10, 1993. An Arkansas chiropractor who, according to the book, A Profession of One's Own, treated the Clinton family, Heard was asked by Bill Clinton to represent the practice as plans for 'Hillarycare' were being finalized. His attorney Steve Dickson, was flying him home from a healthcare meeting in Washington DC just eight months into the Clinton presidency. On the way to the capital from his home in Kansas, Dickson's small plane developed problems so he landed in St. Louis and rented another plane. That rented plane was the one that crashed in rural Virginia, killing both men.</p>
<p>Kathy Ferguson, 37, gun "suicide", May 11, 1994. She was the ex-wife of Arkansas State Trooper Danny Ferguson, who was named in a sexual harassment suit brought by Paula Jones against Bill Clinton. Ferguson left a note blaming problems with her fiancé, Bill Shelton. A month later Shelton, upset about the suicide verdict, killed himself.</p>
<p>Victor Thorn, 54, a journalist and strong critic of the couple, climbed a mountain near his State College, Pennsylvania home on his August 1, 2016 birthday and "shot himself to death". He wrote a trilogy of books on the Clintons, devoting one of the books to the number of their contacts who died mysteriously.</p>

Al Gore. A [COLLECTIVIST NETWORK globalist champion](#) and an aspiring hall of famer, Al has reaped a financial windfall through the effective selling of the [climate change carbon tax scam](#), the effective promotion and selling of the [Al-Jazeera](#) media operation, and the perfecting of a career dedicated to [influence peddling](#), [bribery](#), [extortion](#), [kickbacks](#), [racketeering](#), [treason](#), and [sedition](#), under the effective [subterfuge](#) of [public service](#).

Dennis Hastert. A well known pedophile long before he was “busted”, Dennis enjoyed being the third most powerful figure within the old republic political class. Despite the indictment, Dennis continues to enjoy collecting taxpayer funds, along with a generous \$ million dollar+ salary for his lobbying efforts. Again, a perfect representation of [globalist](#) values, within the old republic.

Bob Iger. Bob, CEO of Disney, enjoys a \$46 million dollar compensation package while [laying off American workers](#) in favor of H1B sponsored foreign labor, which is a perfect representation of [COLLECTIVIST NETWORK globalist values](#), within the old republic. The investment in the [ultimate Disney experience](#) in Shanghai is one of Bob’s crowning achievements, along with the successful subjugation of underprivileged labor.

John Kerry. A [COLLECTIVIST NETWORK globalist champion](#), John enjoys the benefits of marrying into the [Heinz family fortune](#), lecturing recent graduates on the virtues of a [borderless nation](#), and the virtues of entering the old republic into [globalist trade treaties](#) without the consent of the governed.

Henry Kissinger. A [COLLECTIVIST NETWORK globalist hall of famer](#) with [permanent enshrinement](#), Henry enjoys his [epic status](#) as a perennial favorite at [Bilderberg](#) meet ups. Henry [asserts](#), “Today America would be outraged if UN troops entered Los Angeles to restore order. Tomorrow they will be grateful. When presented with this scenario, [individual rights](#) will be [willingly relinquished](#) for the guarantee of their well-being granted to them by the World Government.”

Mike Morell. A [COLLECTIVIST NETWORK globalist](#) aspiring champion, [Mike](#) is a [nearly perfect former CIA Deputy Director sociopath](#), who enjoys speaking about how “[WE](#)” should be murdering Iranians and Russians, covertly. In his spare time, Mike enjoys wholeheartedly endorsing globalist criminal queen [Hillary Rodham Clinton](#), and [interviewing with mainstream media shill Charlie Rose](#).

Barack Obama. A [COLLECTIVIST NETWORK globalist champion](#), [Barack](#) continues to faithfully serve as the [pathological lying](#) front man. His display of faux empathy and compassion for the suffering of others is nearly as believable as his [globalist](#) “brother”, Bill Clinton. The [\\$70 million dollars in vacations](#) [Barack](#) and family have enjoyed and [300+ rounds of golf](#) courtesy of [other people’s money](#) is a perfect representation of [globalist](#) values, within the old republic. [His “signature” legislation of “Obamacare” is widely recognized as a complete failure.](#)

The very same federal government that is tasked with border protection under Mr. [Barack](#)’s leadership has 72 DHS members on the [terrorist watch list](#), as he sends [\\$500 million](#) in arms and cash to [unvetted Syrian rebels \(terrorists\)](#), releases \$ billions to Iran, [provides safe passage](#), supervises the successful funding and expansion of [radical Islam](#), releases detained domestic criminal illegal immigrants, maintains [open borders](#), moves to [repeal the 2nd Amendment](#) and due process through subjective enlistment on a “no fly” list, [parodies the Constitution](#), and enters the old republic into [world governance treaties](#), all the while doubling the unemployment AND homicide rate of African Americans under his Democratic led cities.

[In addition, Mr. Barack enjoys blaming media coverage for his execution of the war on ISIS.](#)

[Globalist shill Obama threatens to veto unanimous Senate bill authorizing pursuit of justice against Saudi Arabia for funding 9/11.](#)

Mr. Barack’s woeful legacy for the American people, and success for [COLLECTIVIST NETWORK globalists](#):

Loretta Lynch. An aspiring COLLECTIVIST NETWORK globalist champion, Loretta, Obama's corrupt Attorney General, brilliantly avoided directly answering House Judiciary questions surrounding facts within the effectively quashed investigation of COLLECTIVIST NETWORK globalist Hillary Rodham Clinton. Furthermore, Loretta enjoys directing the accelerated destruction of local community policing in favor of a central federalized force, and the successful withholding of federal funds to states that refuse compliance with transgender locker rooms.

Robert Mueller. Bob, a FORMER Director of the FBI, enjoys serving as a Clinton fixer, a historically enriching relationship with Bill and Hillary, a lifelong career of service devoted to the ascension of the Deep State, and a supreme globalist with Hall of Fame aspirations. Bob relishes the opportunity to bring obstruction charges against president Trump and all the attendant accolades and accoutrements conferred in the process. In his spare time, Bob enjoys his connection to the Clinton Foundation, and has demonstrated a resounding commitment to the preservation of the COLLECTIVIST NETWORK. In addition, Bob enjoys onboarding the following Clinton Democrat lawyers and acolytes to "assist" in bringing obstruction charges against president Trump: <http://thepoliticalinsider.com/mueller-democrat-donations/>

Henry "Hank" Paulsen. A COLLECTIVIST NETWORK globalist champion who's only rival is the diabolically brilliant Dr. Henry Kissinger, Hank brilliantly transferred toxic mortgage assets from his corrupt private banking COLLECTIVIST NETWORK friends to the private Federal Reserve Bank, and successfully transferred the banking sector derivative risk to the American taxpayer. In a show of unconditional COLLECTIVIST NETWORK support, Hank enjoys providing a resounding endorsement to his globalist shill companion, Hillary Rodham Clinton. In his spare time, Hank enjoys providing consulting services to the Bilderberg group, Trilateral Commission, Council on Foreign Relations, and their respective operated corrupted globalist political parties.

Paul Ryan. Paul, the present serving speaker of the old republic House of Representatives and aspiring COLLECTIVIST NETWORK champion, enjoys passing budgets that fully fund the COLLECTIVIST NETWORK's open border agenda with other people's money, while he himself enjoys a luxury property protected by a fence.

Eric Schmidt. In a nearly perfect recitation of Nazi propaganda minister Joseph Goebbels, Eric, CEO of Google, maintains, "If you have something that you don't want anyone to know, maybe you shouldn't be doing it in the first place." Eric enjoys collaborating with the NSA, all the while denying it, and serving as one of Barack's most trusted advisors.

George Soros. George, a high achieving Nazi collaborator, COLLECTIVIST NETWORK champion, and ISIS supporter, enjoys serving as the primary source of funding and safe passage of refugees in the successful take down of Western Europe and successful launching of the take down of the old republic. George has successfully placed angry operatives in strategic old republic cities, and is delighted to foment destruction in the pursuit of world governance. In addition, George's funding of Non-governmental Operations (NGO) in Ukraine have proven effective into enticing the engagement of Russia into regional conflict. In his spare time, George enjoys lecturing COLLECTIVIST NETWORK members Barack Obama and Hillary Clinton on the vast array of tactics available to foment the final destruction of American sovereignty in favor of the coveted new world order.

What all these COLLECTIVIST NETWORK globalist charlatans have in common is a high intellect and the love of money.

In addition, all of them are cunning and pathological in their lust for power at the expense of any and all members of the old republic, qualifying them for membership as supreme globalists. And the "elected officials" have benefitted from a broken political system that rewards the most villainous members of the old republic, and a mainstream "free press" that is simply a COLLECTIVIST NETWORK globalist run propaganda operation.

Furthermore, these globalist power brokers hold loyalty to their socialist COLLECTIVIST NETWORK memberships in the Bilderberg group, Trilateral Commission, Council on Foreign Relations, and their respective corrupted globalist political parties, above loyalty to the Constitution.

In the old republic, the new left is defined by anger, ignorance, depravity, doom, death, and destruction, and enjoy their role as useful idiots in the COLLECTIVIST NETWORK globalist agenda.

545 PEOPLE--By Charlie Reese

Politicians are the only people in the world who create problems and then campaign against them.

Have you ever wondered, if both the Democrats and the Republicans are against deficits, WHY do we have deficits?

Have you ever wondered, if all the politicians are against inflation and high taxes WHY do we have inflation and high taxes?

You and I don't propose a federal budget. The President does.

You and I don't have the Constitutional authority to vote on appropriations. The House of Representatives does.

You and I don't write the tax code, Congress does.

You and I don't set fiscal policy, Congress does.

You and I don't control monetary policy, the [Federal Reserve Bank](#) does.

One hundred senators, 435 congressmen, one President, and nine Supreme Court justices equates to 545 human beings out of the 300 million are directly, legally, morally, and individually responsible for the domestic problems that plague this country.

I excluded the members of the [Federal Reserve Board](#) because that problem was created by the Congress. In 1913, Congress delegated its **Constitutional** duty to provide a sound currency to a federally chartered, but PRIVATE, central bank.

I excluded all the special interests and lobbyists for a sound reason. They have no legal authority. They have no ability to coerce a senator, a congressman, or a President to do one cotton-picking thing.

I don't care if they offer a politician \$1 million dollars in cash. The politician has the power to accept or reject it. No matter what the lobbyist promises, it is the legislator's responsibility to determine how he votes.

Those 545 human beings spend much of their energy convincing you that what they did is not their fault. They cooperate in this common con regardless of party. What separates a politician from a normal human being is an excessive amount of gall. No normal human being would have the gall of a Speaker, who stood up and criticized the President for creating deficits.....

The President can only propose a budget. He cannot force the Congress to accept it.

The [Constitution](#), which is the **supreme law of the land**, gives sole responsibility to the House of Representatives for originating and approving appropriations and taxes. Who was the speaker of the House?

[Nancy Pelosi](#). She was the leader of the majority party. Then it was [John Boehner](#). She and he and fellow House members, not the President, can approve any budget they want. If the President vetoes it, they can pass it over his veto if they agree to. It seems inconceivable to me that a nation of 300 million cannot replace 545 people who stand convicted -- by present facts -- of incompetence and irresponsibility. I can't think of a single domestic problem that is not traceable directly to those 545 people.

When you fully grasp the plain truth that **545** people exercise the power of the federal government, then it must follow that what exists is what they want to exist.

If the tax code is unfair, it's because they want it unfair.

If the budget is in the red, it's because they want it in the red.

If the Army & Marines are in Iraq and Afghanistan it's because they want them in Iraq and Afghanistan.

If they do not receive social security but are on an elite retirement plan not available to the people, it's because they want it that way.

There are no insoluble government problems.

Do not let these **545** people shift the blame to bureaucrats, whom they hire and whose jobs they can abolish; to lobbyists, whose gifts and advice they can reject; to regulators, to whom they give the power to regulate and from whom they can take this power. Above all, do not let them con you into the belief that there exists disembodied mystical forces like "the economy," "inflation," or "politics" that prevent them from doing what they take an oath to do.

Those **545** people, and they alone, are responsible.

They, and they alone, have the power.

They, and they alone, should be held accountable by the people who are their bosses.

Provided the voters have the gumption to manage their own employees.

We should vote all of them out of office and clean up their mess!

Charlie Reese is a former columnist of the Orlando Sentinel Newspaper.

In the New Republic, members recognize the **improper conversion** of the representative class into the ruling class, through the effective use of gaslighting, and enjoy the **transformative process** of amending the Constitution to correct the error, **under the new model**.

New Amendments: (Effective and executed immediately upon Amendments Convention ratification.)

28. **Term limits.** Senators are **limited** to two (6) year terms. Representatives are **limited** to five (2) year terms.

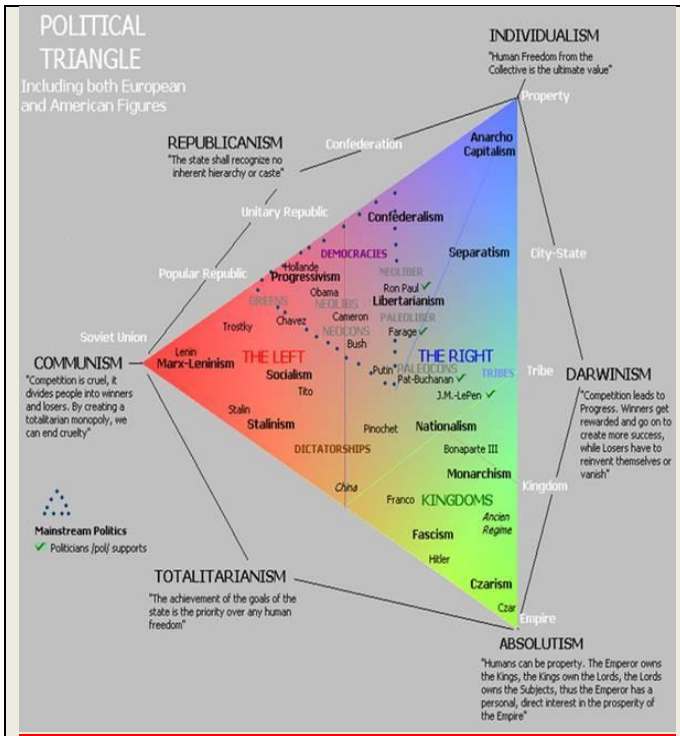

29. **Lobbying.** Excludes an individual from serving as a Senator or Representative, and once having served, **LOBBYING IS STRICTLY FORBIDDEN**.

30. **Balanced budget.** No treasury expenditures shall be permitted without an approved balanced budget.

31. **Foreign conquest.** Not permitted without an accurate threat assessment to the homeland and direct democratic vote.

(34) State Legislatures may amend the Constitution accordingly, peacefully, with manageable consequences.

OR NOT, WITHOUT MANAGEABLE CONSEQUENCES.

"Wish You Were Here"

So, so you think you can tell, Heaven from Hell,
blue skies from pain?

Can you tell a green field from a cold steel rail?
A smile from a veil?
Do you think you can tell?

Did they get you to trade your heroes for ghosts?
Hot ashes for trees?
Hot air for a cool breeze?
Cold comfort for change?
Did you exchange a walk on part in the [war](#)
for a lead role in a cage?

How I wish, how I wish you were here.
We're just two lost souls swimming in a fish bowl,
year after year;
Running over the same old ground,
What have we found?
The same old fears.
Wish you were here.

"Gentle On My Mind"

It's knowing that your door is always open
And your path is free to walk
That makes me tend to leave my sleeping bag
Rolled up and stashed behind your couch
And it's knowing I'm not shackled
By forgotten words and bonds
And the ink stains that are dried upon some line

That keeps you in the backroads
By [the rivers](#) of my memory
That keeps you ever gentle on my mind

It's not clinging to the rocks and ivy
Planted on their columns now that bind me
Or something that somebody said
Because they thought we fit together walking
It's just knowing that the world will not be cursing
Or forgiving when I walk along some railroad
track and find

That you're moving on the backroads
By [the rivers](#) of my memory
And for hours you're just gentle on my mind

Though the wheat fields and the clothes lines
And the junkyards and the highways come
between us
And some other woman's cryin' to her mother
'Cause she turned and I was gone
I still might run in silence tears of joy might stain
my face
And the summer sun might burn me 'til I'm blind

But not to where I cannot see
You walkin' on the backroads
By [the rivers](#) flowing gentle on my mind

I dip my cup of soup back from a gurglin'
Cracklin' caldron in some train yard
My beard a roughening coal pile,
And a dirty hat pulled low across my face
Through cupped hands 'round the tin can
I pretend to hold you to my breast and find

That you're waiting from the backroads
By [the rivers](#) of my memories
Ever smilin' ever gentle on my mind.

"Tom Sawyer"

A modern-day warrior
Mean, mean stride
Today's Tom Sawyer
Mean, mean pride
Though his mind is not for rent
Don't put him down as arrogant
He reserves the quiet defense
Riding out the day's events

[The river](#)
What you say about his company
Is what you say about society
Catch the mist, catch the myth
Catch the mystery, catch the drift
The world is, the world is

[Love](#) and life are deep
Maybe as his skies are wide
Today's Tom Sawyer
He gets by on you
And the space he invades
He gets by on you
No, his mind is not for rent
To any God or government
Always hopeful yet discontent
He knows changes aren't permanent
But change is

What you say about his company
Is what you say about society
Catch the witness, catch the wit
Catch the spirit, catch the spit
The world is, the world is
[Love](#) and life are deep

Maybe as his eyes are wide
Exit the warrior
Today's Tom Sawyer
He gets by on you
And the energy you trade
He gets right on to the friction of the day.

"From The Beginning"

There might have been things I missed
But don't be unkind
It don't mean I'm blind
Perhaps there's a thing or two
I think of lying in bed
I shouldn't have said, But there it is
You see it's all clear
You were meant to be here
From the beginning
Maybe I might have changed
And not been so cruel
Not been such a fool
Whatever was done is done
I just can't recall
It doesn't matter at all
You see it's all clear
You were meant to be here
From the beginning.

"Blue Sky"

Walk along [the river](#), sweet lullaby,
it just keeps on flowing,
It don't worry 'bout where it's going,
no, no.

Don't fly, mister blue bird,
I'm just walking down the road,
Early morning sunshine,
tell me all I need to know.

You're my blue sky, you're my sunny day,
Lord, you know it makes me high
when you turn your [love](#) my way,
Turn your [love](#) my way, yeah.

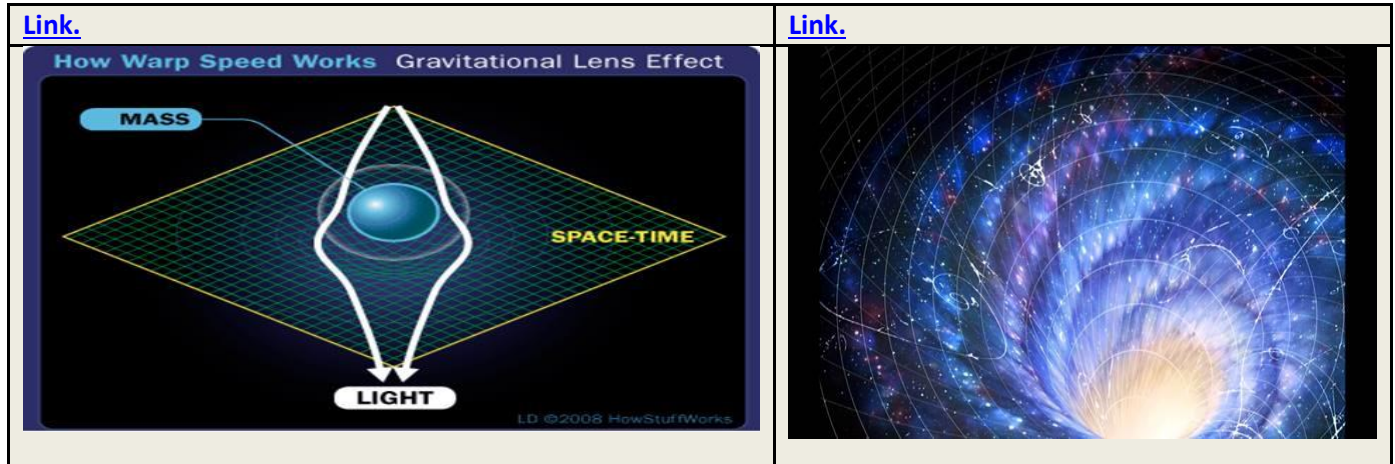

Good old Sunday morning,
bells are ringing everywhere.
Goin' to Carolina,
it won't be long and I'll be there.

You're my blue sky, you're my sunny day.
Lord, you know it makes me high
when you turn your [love](#) my way,
Turn your [love](#) my way, yeah.

Desiderata

Go placidly amid the noise and haste,
and remember what peace there may be in
silence.
As far as possible without surrender
be on good terms with all persons.
Speak your truth quietly and clearly;
and listen to others,
even the dull and the ignorant;
they too have their story.
Avoid loud and aggressive persons,
they are vexations to the spirit.
If you compare yourself with others,
you may become vain and bitter;
for always there will be greater and lesser
persons than yourself.
Enjoy your achievements as well as your
plans.
Keep interested in your own career, however
humble;
it is a real possession in the changing fortunes
of time.
Exercise caution in your business affairs;
for the world is full of trickery.
But let this not blind you to what virtue there
is;
many persons strive for high ideals;
and everywhere life is full of heroism.

Does the winged life destroy;
But he who kisses the joy as it flies
Lives in eternity's sun rise.

R. Buckminster Fuller

Be yourself.

Especially, do not feign affection.
Neither be cynical about love;
for in the face of all aridity and
disenchantment
it is as perennial as the grass.
Take kindly the counsel of the years,
gracefully surrendering the things of youth.
Nurture strength of spirit to shield you in
sudden misfortune.
But do not distress yourself with dark
imaginings.
Many fears are born of fatigue and
loneliness.
Beyond a wholesome discipline, be gentle
with yourself.
You are a child of the universe,
no less than the trees and the stars;
you have a right to be here.
And whether or not it is clear to you,
no doubt the universe is unfolding as it
should.
Therefore be at peace with God,
whatever you conceive Him to be,
and whatever your labors and aspirations,
in the noisy confusion of life keep peace with
your soul.
With all its sham, drudgery, and broken
dreams,
it is still a beautiful world.
Be cheerful.
Strive to be happy.

Whatever shall we do??

1. Obey God's Commandments, including the 11th to love one another.
2. Have a good story to tell.
3. Take someone along and enjoy the ride.
4. Ask God for help.
5. Ask not for whom the bell tolls.
