## APOCALYPSE NOW: EATING CATS AND DOGS TO SURVIVE

Meltdown in Venezuela causing riots, shortages, murder, chaos

Published: 05/16/2016 at 7:53 PM

## Kim Jong-un labels DOG MEAT a 'superfood' in a bid to encourage starving North Koreans to eat it... and advises them to beat the animals to death to improve the taste

- North Korea is urging people to eat more dog meat, known as 'dangogi'
- The country, ruled by tyrant Kim Jong-un, says it is a 'stamina food'
- It claims that dog meat contains more vitamins than chicken and beef
