

Back to the Garden!

Lovely days don't come to you. You should walk to them!

A core belief of transcendentalism is in the inherent goodness of people and nature. Adherents believe that society and its institutions have corrupted the purity of the individual, and they have faith that people are at their best when truly "self-reliant" and independent.

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

One person can make a difference, and everyone should try."

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.

The Fed for the First Time Can Buy Junk Bonds. That Should Help 'Fallen Angels.'

Non-investment grade "JUNK" corporate bonds enjoy **WINNING**, with private Federal Reserve Bank open market purchasing. This, despite the **FACT** these poorly managed companies binged on stock buybacks with "excess" cash, inflating earnings per share figures, and lining the pockets of incompetent executives with unlimited wealth.
