

Real time disturbances in SUN's energy output...produce documented disturbances in the fabric of space-time, variations in: earth elliptical orbit, climate patterns, gravitational force, wave propagation, outer molten core fluid mechanics, and behavior of life on earth, striking the earth's atmosphere 8 minutes after the observed solar event...just sayin'...choose Love, Gratitude, Joy, and BROTHERHOOD.

.....starts with one person, one relationship, one family, one neighbor, one neighborhood, one community, one village, one city, one state, one nation, at a time...simultaneously.

A screenshot of the spaceweather.com website. The header includes the logo, a navigation menu with items like "AURORA ALERTS", "SUBMIT YOUR PHOTOS", "CONTACT US", "SUBSCRIBE", "FLYBYS", and "EARTH TO SKY", and a search bar. The main content area is titled "What's up in space" and dated "Saturday, Sep. 15, 2018". It features several sections: "Current Conditions" with solar wind data (speed: 520.3 km/sec, density: 8.1 protons/cm³), "X-ray Solar Flares" with a 6-hr max of A1 0316 UT Sep15, and "What's up in space" with a link to "Lights Over Lapland" and a "tripadvisor" logo. There is also an "archives" section with dropdown menus for "September", "15", and "2018", and a "view" button.

SYNCHRONICITY and ELECTRIC UNIVERSE.

CONSTITUTIONALISM...is the new counterculture.

A quote by Baruch Spinoza: "The highest activity a human being can attain is learning for understanding, because to understand is to be free." The quote is displayed in a white, typewriter-style font on a dark, textured background. At the bottom right, it says "Baruch Spinoza" and "QuotePixel.com".
