

When the fittest minds are engaged in building a vast peace, ecological, and philanthropy complex, rather than a vast mass extinction complex, all sentient life on earth shall know an everlasting joy and peace.

"The drive of the Rockefellers and their allies is to create a one-world government combining supercapitalism and Communism under the same tent, all under their control.... Do I mean conspiracy? Yes I do. I am convinced there is such a plot, international in scope, generations old in planning, and incredibly evil in intent."
-Congressman Larry P. McDonald, 1976.

In the NEW REPUBLIC 2.0, a producer, self-reliant individual, family, and community wholeness has canceled that technocentric-corruption-consumer-debt-mass extinction complex; the very same complex that enriched China, slaughtered millions of innocent lives, impoverished multitudes of commoners nation and world-wide, and concentrated exorbitant wealth among the very self-serving collectivists that launched it.

To attain and sustain love, joy, gratitude, peace, and synchronicity for all sentient life and ecological balance for earth requires **GRIT**, not greed. **Polymaths** do not follow or lead the herd; they lead the **vision**.

New **beginnings** are often disguised as painful endings.

Those within the Venn circle of E. Pluribus Unum for ALL U.S. constitutional citizens enjoy the **first circle** of synchronistic egalitarian unity.

Those within the Venn circle of E. Pluribus Division of ALL U.S. constitutional citizens languish within the infinite loop of despair, disenfranchisement, and disunity.

All sentient life is balanced on the wave of **joy and sadness**, **tragedy and hope**. Only YOU can make a difference!

Listen children, ALL is not lost!

In the NEW REPUBLIC 2.0, imperfect people form a more perfect union, with **Providence**. Core principles of community-based prosperity, LOCAL commerce, brotherhood, philanthropy, defense, disaster-prevention, distributed power, MEANS OF CONSTRUCTION, the **Bill of Individual Rights**, **sustainability** and **resiliency**, all calibrated to **LOVE, JOY, GRATITUDE, PEACE, PROSPERITY, ECOLOGICAL BALANCE** and **CONSTITUTIONAL EGALITARIANISM**.

In the **New Model**, all good people in the arena enjoy resuming the restoration of the **Constitutional republic FROM JFK's point of interruption**, can see for miles and miles, and enjoy **Liberty** in building out properties and the local means of production, with the capability to **sow, nurture, grow, harvest, store, cook, engineer, design, program, automate, construct, process, raise, teach, counsel, hunt, defend, provide, debate, organize, compose, perform, worship, dance, laugh, love, celebrate, and sustain**. Members enjoy a career in methods of spontaneous cooperation in the discovery and development of regenerative processes that achieve a well-defined whole!

"There is one revolution tolerable to all men, all societies, all political systems:
Revolution by **design** and **invention**."
-R. Buckminster "Bucky" Fuller, 1968.

The TRUE measure of greatness of the individual, organization, society, and world IS NOT a focus on **elevating war sales and margin**, but rather a focus on **elevating the marginalized** into a world that works for all of **CREATION!**

A core belief of **transcendentalism** is in the inherent goodness of people and **nature**. Adherents believe that society and its institutions have **corrupted** the purity of the individual and nature, and they have faith that people are at their best when truly "**self-reliant**" and independent.

"Confident that with YOUR help, man will be what he was born to be: **free and independent**."

"Does the **INDIVIDUAL** have the courage to really go along with the **TRUTH?**"

"One person can make a difference, and everyone should try."

"It is a crime for any citizen to shrink from controversy."

"When **TRUTH** represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.

The wicked leader is he who the people despise. The good leader is he who the people revere. The great leader is he who the people say, 'We did it ourselves.'
