

A core belief of transcendentalism is in the inherent goodness of people and nature. Adherents believe that society and its institutions have corrupted the purity of the individual, and they have faith that people are at their best when truly "self-reliant" and independent.

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

One person can make a difference, and everyone should try."

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.

The END march of Self-Organizing Criticality IS
GASLIGHTING!

SYNCHRONICITY and ELECTRIC UNIVERSE.

In the old republic, American multinational corporations AND government "officials" decided DECADES ago to partner with the Communist Chinese.

This was done in the name of maximizing Wall Street profits and minimizing the value of human life. Furthermore, this partnering and offshoring of American middle class labor to China has placed the American old republic in grave danger, with a supply chain that is readily withdrawn.

Furthermore, the end result has been devastation of communities, families, infrastructure, wealth, and the future.

And, after 10 YEARS of binging on stock buybacks and lining their pockets with unlimited wealth, "executives" expect to be bailed out by the very same taxpayer and communities they abandoned.

NOT THIS TIME.

WE'RE keeping a list, and we're checking it TWICE!

Due process under the Constitution SHALL be properly served to the perpetrators; otherwise the Ruling class SHALL be abandoned by the Guardian class, in which case an investment in guillotines and crematoriums may prove to be of high value!

"Everything that is REALLY great and inspiring is created by the individual who can labor in FREEDOM."

-Albert Einstein.

"The care of human life and happiness, and not their destruction, is the first and only object of good government."

-Thomas Jefferson.

In the New Republic, all good people in the arena enjoy resuming the restoration of the Constitutional republic FROM JFK's point of interruption, can see for miles and miles, and enjoy Liberty in building out properties and the local means of production, with the capability to sow, nurture, grow, harvest, store, cook, engineer, design, program, automate, construct, process, raise, teach, counsel, hunt, defend, provide, debate, organize, compose, perform, worship, dance, laugh, love, celebrate, and sustain. Members enjoy a career in methods of spontaneous cooperation in the discovery and development of processes that achieve a well-defined whole!!

CONSTITUTIONALISM...is the new counterculture.
