The creation, sharing, and extending of halcyon moments, for the many, at peace, over an earth-lifetime, IS the moral imperative.

One can know peace as peace, only because there is war.

Informed, self-determined, peaceful peoples, living in an egalitarian Democracy, under the protections and processes of the Constitutional Republic, SHALL NOT perish from earth, but rather ARE bolstered by hyper-localized, sustainable, regenerative, resilient, collaborative, and defended supply chains.

The FOUR civilization turnings comprise history's seasonal rhythm of Growth, Maturation, Entropy, Rebirth: The 4th Turning.

Wealth is the ability to FULLY experience life, ideas plus energy, friends, family, health, and freedom to roam about the cabin of earth, at peace.

GODSPEED!!

BREAK ON THROUGH to the other side to FAR ENLIGHTENMENT!

"The hope of a secure and livable world lies with disciplined nonconformists who are dedicated to justice, peace, and brotherhood."
-Martin Luther King Jr., 1968.

"I must study politics and war that my sons may have liberty to study mathematics and philosophy. My sons ought to study mathematics and philosophy, geography, natural history, naval architecture, navigation, commerce, and agriculture, in order to give their children the right to study painting, poetry, music, architecture, statuary, tapestry, and porcelain."
-John Adams, 1782.

"There are only two lasting bequests we can hope to give our children. One of these is roots, the other, wings."
-Johann Wolfgang Von Goethe, 1782.

"Knowledge makes a man unfit to be a slave."
-Frederick Douglass, 1861.

In the New Republic, Polymaths enjoy creating the acts of construction and production, for the benefit of humanity AND ecology, NOT their destruction.

"We do not remember days, we remember moments."
-Cesare Pavese.

"I have found that if you love life, life will love you back."
-Arthur Rubenstein.

"Where LIBERTY (for ALL CITIZENS) dwells, there is MY COUNTRY"
"Well DONE is better than well said."
-Ben Franklin.

"Youth is happy because it has the capacity to see beauty (and truth). Anyone who keeps the ability to see beauty never grows old."
-Franz Kafka.

"The future belongs to those who believe in the beauty of their dreams."
-Eleanor Roosevelt.

In the New Republic, Independent Enlightened Commoners enjoy CHOOSING to build out DOMESTIC off-grid residential and commercial infrastructure, local regenerative, sustainable, renewable supply chains AND communities, in locales where the population of butterflies, hummingbirds, bluebirds, and deer represent the majority of biological life.
...with an agenda of an egalitarian, diverse community and civilization of happy, peaceful, productive, unified self-reliant RESILIENT individuals, living in peaceful communities, in prosperity and unity with illimitable-spirit and nature, with all safe and sound.

"INDEPENDENCE DAY: Freedom has its life in the hearts, the actions, the spirit of men and women, and so it must be DAILY earned and refreshed - else like a flower cut from its life-giving roots, it will wither and die."

In the New Republic, members hold loyalty to their trades, professions, communities, TRUTH, AND Code of Ethics above loyalty to greed and power.

An ounce of prevention is worth a pound of cure, and it starts with secure and resilient individuals, dwellings, neighborhoods, communities, villages, cities, states, nations, planets, universe, and cosmos.

Money is good. Money plus ingenuity allows for favorable quantum outcomes, independent of the limitations imposed by binary thought.

The Emerson-Thoreau-Fuller school of thought transcends the macro failings of civilizations, and maneuvers ahead of collapse, for the benefit of the many, NOT for their destruction.

It is a daily metamorphosis.

CONSTITUTIONALISM.....is the new counterculture!
