Thomas Jefferson.

"The best way to predict the future is to design and BUILD IT."

"You never change things by fighting the existing reality. To change something, BUILD a new model that makes the existing one obsolete."

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the individual have the courage to really go along with the TRUTH?"

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

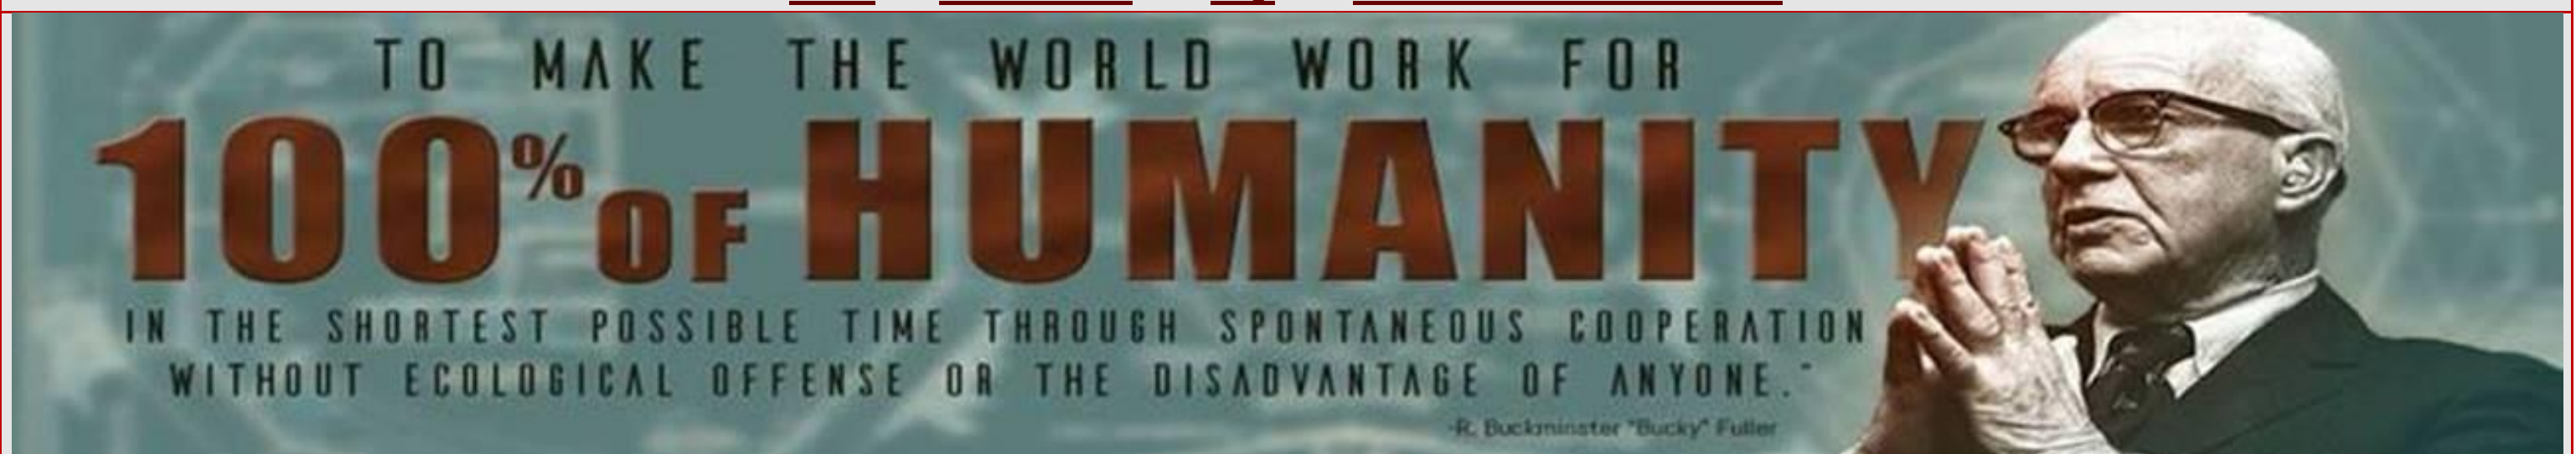

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.
