

Time to shovel more dollars into the furnace to keep this engine running, full steam ahead, accelerate the enslavement of commoners with non-consented debt, force pension funds to seek "yield" in risk assets, lure retail investors to speculate on margin, and inflate housing, energy, transports, food, and energy.

And Joe, it's time to antagonize China, Iran, Russia, and Saudi Arabia, open up the oligarch-ordered conventional war fronts in Ukraine, Taiwan, Syria, and Africa, reduce the alpha-male population by reinstating conscription, and stimulate the equity markets with massive non-consented taxpayer capital injection into the mass-extinction complex.

New beginnings are often disguised as painful endings.

Those within the Venn circle of E. Pluribus Unum for ALL U.S. constitutional citizens enjoy the first circle of synchronistic egalitarian unity.

Those within the Venn circle of E. Pluribus Division of ALL U.S. constitutional citizens languish within the infinite loop of despair, disenfranchisement, and disunity.

When the fittest minds are engaged in building a vast peace, ecological, and philanthropy complex, rather than a vast mass extinction complex, all sentient life on earth shall know an everlasting joy and peace.

All sentient life is balanced on the wave of joy and sadness, tragedy and hope. Only YOU can make a difference!

Listen children, ALL is not lost!

In the NEW REPUBLIC 2.0, imperfect people form a more perfect union, with Providence. Core principles of community-based prosperity, LOCAL commerce, brotherhood, philanthropy, defense, disaster-prevention, distributed power, MEANS OF CONSTRUCTION, the Bill of Individual Rights, sustainability and resiliency, all calibrated to LOVE, JOY, GRATITUDE, PEACE, PROSPERITY, ECOLOGICAL BALANCE and CONSTITUTIONAL EGALITARIANISM.

In the New Model, all good people in the arena enjoy resuming the restoration of the Constitutional republic FROM JFK's point of interruption, can see for miles and miles, and enjoy Liberty in building out properties and the local means of production, with the capability to sow, nurture, grow, harvest, store, cook, engineer, design, program, automate, construct, process, raise, teach, counsel, hunt, defend, provide, debate, organize, compose, perform, worship, dance, laugh, love, celebrate, and sustain. Members enjoy a career in methods of spontaneous cooperation in the discovery and development of regenerative processes that achieve a well-defined whole!

"There is one revolution tolerable to all men, all societies, all political systems:
Revolution by design and invention."
-R. Buckminster "Bucky" Fuller, 1968.

The TRUE measure of greatness of the individual, organization, society, and world IS NOT a focus on elevating war sales and margin, but rather a focus on elevating the marginalized into a world that works for all of CREATION!

A core belief of transcendentalism is in the inherent goodness of people and nature. Adherents believe that society and its institutions have corrupted the purity of the individual and nature, and they have faith that people are at their best when truly "self-reliant" and independent.

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

"One person can make a difference, and everyone should try."

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.

I think it's time to get ready!

The wicked leader is he who the people despise. The good leader is he who the people revere. The great leader is he who the people say, 'We did it ourselves.'
