

Time to wrap it up, Grandpa Munster.

“Mueller was a central figure in an FBI cover up that kept four *completely innocent* men in prison for decades, in order to protect the FBI’s reputation.”

.....starts with one person, one relationship, one family, one neighbor, one neighborhood, one village, one city, one state, one nation, at a time...simultaneously.

Special Counsel Robert Mueller was a central figure in the FBI cover-up that kept 4 innocent men in prison for more than 30 years for a crime the FBI knew they did not commit before finally being exonerated and awarded 101 million dollars for false imprisonment. However, exoneration came too late for 2 of the 4 men who died while still incarcerated. One of whom was decorated World War II veteran Louie Greco, who had earned 2 Bronze Stars and a Purple Heart during his service. Knowing these men were innocent, Mueller and prosecutors purposely withheld evidence that would have proven their innocence and restored their freedom.

With impeccable integrity like that, who needs criminals.
