humanity??"			
		The highest activity a human being can attain is learning for understanding, because to understand is to be free. Baruch Spinoca	"Humanity is taking its final examination. We have come to an extraordinary moment when it doesn't have to be you or me. There is enough for all. We need not operate competitively any longer. If we succeed, it will be because of youth, truth & love." - Buckminster Fuller In "A Fuller View, Backminster Fuller's Vision of Hope and Abundance for All" www.BuckyFullerNow.com
