

WE share in the creation of choices...while sanctuary state governors command municipalities furnish high density low income housing.

...our choices under the Bill of Rights remain protected by the 2nd Amendment and Constitutional oath to the preservation of Liberty for ALL Constitutional citizens, memorialized in the Constitution.

"You never change things by fighting the existing reality. To change something, build a new model that makes the existing one obsolete."

"The best way to predict the future is to design it."

"Don't fight forces. Use them."

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the individual have the courage to really go along with the TRUTH?"

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

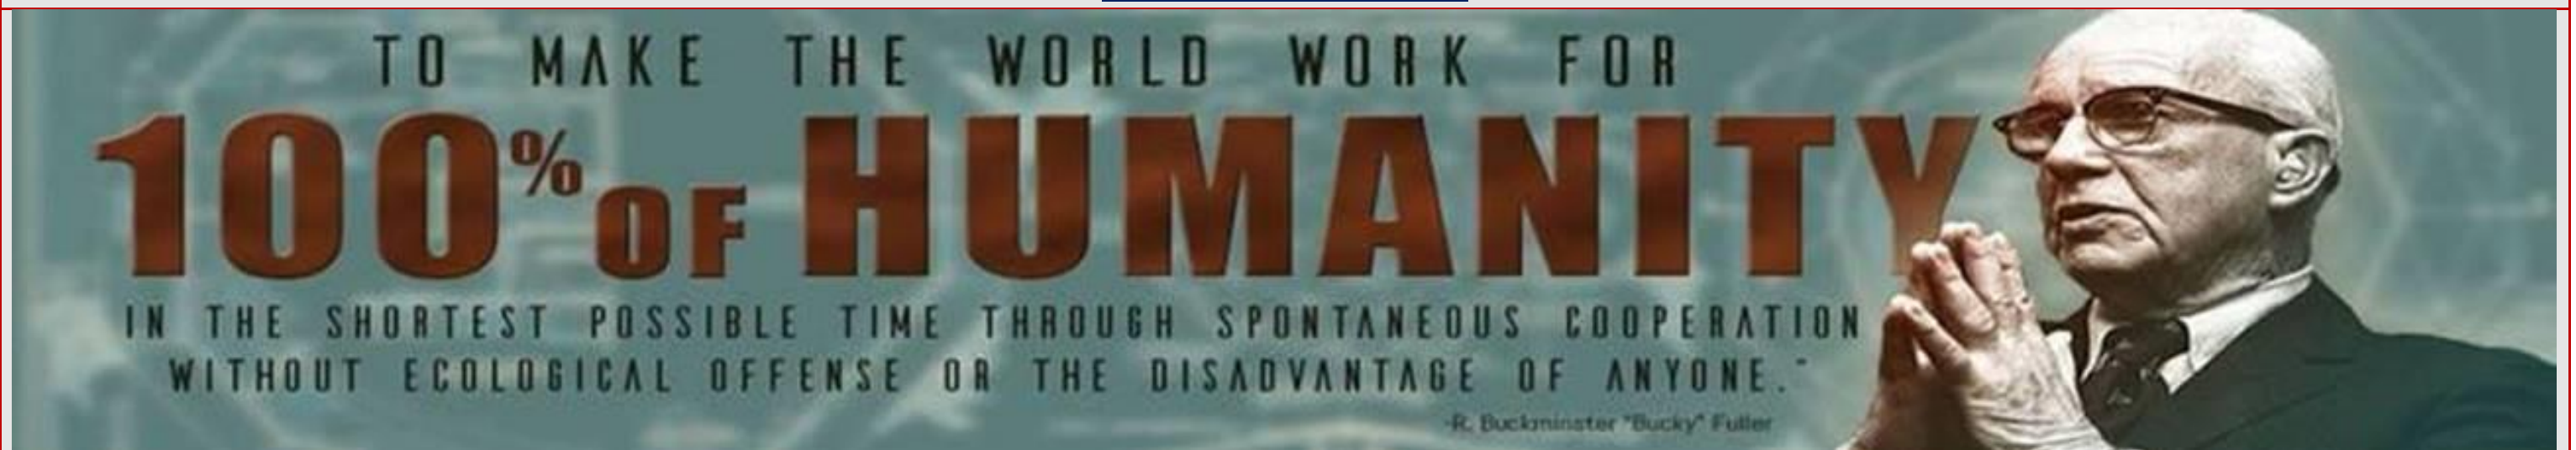

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy.
