

...by the company they keep.

In the old republics and dictatorships, it is government of, by, and for the FEW globalist oligarchs, and their descendants, who enjoy owning and operating the majority of politicians, militaries, courts, media, and corporations. Their heavily-funded destructive technological methods of population control are quite impressive, and include Directed Energy Weapons (DEW), High-frequency Active Auroral Research Programs (HAARP), Hypersonic Guided Nuclear-Armed Cruise Missiles, and increasingly lethal airborne pathogens.

In addition, rather than promoting and developing science leading to a population of unified, kind, loving, joyful, peaceful, compassionate, self-reliant, empathetic people, they enjoy promoting and developing science leading to disunited, disenfranchised, and despairing populations that seek to blame, war-with, and destroy one another. And up to the present state, they have enjoyed the use of plausible deniability in amassing and concentrating their power and influence through the use of purchased sycophants.

The purpose of discipline is to live life more FULLER, not less!

In the New Model, sustaining synchronicity and self-actualization...for ALL of earth's humanity and abundant life...IS the policy!

The FUTURE...reimagined by the sparkling rivers, lakes, and oceans!

In the NEW REPUBLIC, imperfect people form a more perfect union, with Providence. Core principles of community-based prosperity, LOCAL commerce, supply, brotherhood, philanthropy, defense, disaster-prevention, distributed power, MEANS OF CONSTRUCTION, the Bill of Individual Rights, sustainability and resiliency, all calibrated to LOVE, JOY, GRATITUDE, AND PEACE!

In the New Model, all good people in the arena enjoy resuming the restoration of the Constitutional republic FROM JFK's point of interruption, can see for miles and miles, and enjoy Liberty in building out properties and the local means of production, with the capability to sow, nurture, grow, harvest, store, cook, engineer, design, program, automate, construct, process, raise, teach, counsel, hunt, defend, provide, debate, organize, compose, perform, worship, dance, laugh, love, celebrate, and sustain. Members enjoy a career in methods of spontaneous cooperation in the discovery and development of regenerative processes that achieve a well-defined whole!

ALL is not lost!

"There is one revolution tolerable to all men, all societies, all political systems:  
Revolution by design and invention."  
-R. Buckminster "Bucky" Fuller, 1968.

The TRUE measure of greatness of the individual, organization, society, and world IS NOT a focus on elevating war sales and margin, but rather a focus on elevating the marginalized into a world that works for all of CREATION!

A core belief of transcendentalism is in the inherent goodness of people and nature. Adherents believe that society and its institutions have corrupted the purity of the individual and nature, and they have faith that people are at their best when truly "self-reliant" and independent.

"Confident that with YOUR help, man will be what he was born to be: free and independent."

"Does the INDIVIDUAL have the courage to really go along with the TRUTH?"

"One person can make a difference, and everyone should try."

"It is a crime for any citizen to shrink from controversy."

"When TRUTH represents an existential threat, then censorship is deployed."

"Those who make peaceful revolution impossible will make violent revolution inevitable."

.....starts with one person, one relationship, one family, one neighbor, one neighborhood, one village, one community, one city, one state, one nation, at a time...simultaneously.

There is another interesting picture of the cabal - enlarged this time. It was taken at the conferral of the Carnegie Medal of Philanthropy in 2001. Among the additional participants is Dr. Anthony Fauci.

"The care of human life and happiness, and not their destruction, is the first and only object of good government."

"We must not let our rulers lead us with perpetual debt."

"A little rebellion now and then is a good thing."

"The tree of Liberty must be refreshed from time to time with the blood of patriots and tyrants."  
Thomas Jefferson.

"If you want to find the secrets of the Universe, think in terms of energy, frequency, and vibration."

"Science is but a perversion of itself unless it has as its ultimate goal the betterment of humanity."

"I could only achieve success in my life through self-discipline, and I applied it until my wish and will became one."  
Nikola Tesla.

SYNCHRONICITY and ELECTRIC UNIVERSE.

"I'm Charles Fuller, and I approve this message, from the beginning, of the beginning!"

WEALTH WITH PHILANTHROPY is like Capitalism WITH Conscience, is like Government WITH Oversight, is like Eisenhower's Farewell Address, and is IMPLEMENTED with the launch of the New Republic!

When the doors of perception are cleansed, things will appear to man as they TRULY are...INFINITE.  
William Blake.

"Everything we see is a shadow cast by that which we don't see."

"Love is the only force capable of transforming an enemy into a friend."  
Martin Luther King Jr.

"In a time of universal deceit, telling the TRUTH is a revolutionary act."
